—FRIDAY MAY 5, 1899.—

DEMOCRATIC TICKET.

For Railroad Commissioner,
J. FLETCHER DEMPSEY,
of Hopkins County.

Joe Blackburn has deferred his
trip to Porto Rico.

Wm. Lees, col., was hanged by a
mob at Osceola, Ark., for barn-
burning.

Illinois Republican Congressmen
have united on Hopkins for speaker
and will give him their solid sup-
port.

All Sunday business has been
stopped in Atlanta, under a new
ordinance. Even fruit and cigar
stands are included.

The gunboat Nashville will be at
Cairo from May 6 to 9 and the I. C.
will give half-rates to those who
want to see the ship.

Jno. C. Wood was re-nominated
for Railroad Commissioner in the
Third District by the Republican
convention at Richmond.

Ex-Senator Peffer, of Kansas, is
now editing a country weekly at
\$10 a month. At least a statement
to that effect is going the rounds of
the press.

Robt. Hodges has withdrawn
from the race for representative in
Lyon county. The remaining can-
didates before the Democratic pri-
mary are Gen. H. B. Lyon and Mr.
R. F. Brightwell.

Mrs. Jane Rhea, widow of the
late Albert G. Rhea, and mother of
Congressman John S. Rhea, died at
Russellville Monday. She was a
sister of Elijah Hise, in his time
one of the leading lawyers of Ken-
tucky.

A young doctor of Paducah, who
is in charge of the smallpox pa-
tients, issued invitations to a num-
ber of his friends to attend a swell
dining at the pest house, but all of
the invitations were, strange as it
may seem, declined with thanks.

The peace propositions from
Aguinaldo's emissaries have not
yet led to any definite results. Otis
demands an unconditional surren-
der and refuses to recognize the
Filipino government.

The lynching of one negro near
Buffalo, N. Y., for stealing a purse
and another near Bucyrus, Ohio,
for raiding a hen-roost will proba-
bly furnish the sectional press of
the North and East with material
for more harangues about "South-
ern outrages."—Glasgow News.

The latest developments in the
Perry Belmont-Jessie Sloan scan-
dal show that Col. Bryan made no
mistake in refusing to dine with
Belmont, from a social as well as a
political standpoint. Belmont mar-
ried the Sloan woman in a few min-
utes after her husband rid himself
of her in the divorce court.

The gubernatorial contest in
Christian county is in a state of
profound quiet that amounts al-
most to entire indifference this
week. It may be the calm before
the storm, but certain it is that
nobody is tearing his shirt for any
of the candidates at this stage of
the game. If there has been any
change at all, it is to Stone's advantage.

Gen. Miles resents the unfairness
of the beef contract investigation
and will likely ask congress to go
behind the whitewash of the board
of inquiry and investigate the whole
scandal. Gen. Miles claims that
336 of his material witnesses were
not subpoenaed at all, out of a total
of 440 whose names he furnished.
It was clearly the intention of the
packed board from the first to sup-
press the real facts, but as it was
enough was shown to convince the
reading public that the investiga-
tion was a farce and the report a
misrepresentation of the actual
facts unintentionally brought out.

Every woman in the Independence
Avenue Methodist church, Kansas
City, removed her hat Sunday night
before services began. A male
member wrote a communication to
one of the city papers, protesting
against the hats, and the Ladies
Aid Society took the matter up, and,
after long discussion, decided that
the hats should be removed. The
reform was to be inaugurated East-
er morning, but the women backed
down. The men were mean enough
to say that it was because of the
new bonnets. Sunday night a lead-
ing member of the congregation, as
soon as she was escorted to her
pew, ostentatiously removed her
hat. Almost instantly every mem-
ber of the Ladies' Aid Society pres-
ent followed her example, and in a
few moments all the other women
did the same.

The heavy loss sustained by the
farmers of Daviess county from im-
passable roads during the past
winter have caused the Fiscal Court
of the county to investigate the
cost of stoneroads. This investiga-
tion is now in progress and is the
first step in a work which, if prop-
erly carried out, will establish
Daviess in the position to which,
she is justly entitled as one of the
most intelligent and progressive
counties in Kentucky.

Col. Fred Funston, the little Kan-
sas volunteer, who won the fight at
Calumpit, has been made a Brig-
adier General for his bravery. This
will be universally approved, but
something ought also be done for
Kelly and Twemby, the two pri-
vates, who swam the river
under the fire of the enemy and
fastened a rope to the opposite
bank, establishing the line that en-
abled Funston and his men to cross
on a raft and get at the Filipinos.

The Louisville Post has with-
drawn its "support" from Gen.
Hardin, giving as the reason that
Hardin's home county nominated
McChord for Railroad Commissioner.
The Post does Gen. Hardin an in-
justice. An obstreperous delega-
tion from Mercer county knocked
out Alexander's Louisville friends
and gave McChord the nomination.

The Missouri legislature is mak-
ing it hot for the trusts. Since At-
torney General Griggs announced that
the States must deal with the trust
evil, nearly all of the Democratic
States have begun the work of sup-
pressing the unlawful combina-
tions.

Hon. G. W. Hickman, of McLean,
announces that he will, in the event
of his election, be a candidate for
Speaker of the next House. He is
one of the brainiest young Demo-
crats in the State and Western
Kentucky will be proud to back
him for the position he seeks.

Editor Pulitzer, of the New York
World, is in London and says
Bryan will be renominated next
year by the Democrats. If there is
a Democrat in the United States
who thinks otherwise he has not
been located.

Chairman Jones is going to
Europe for his health and commit-
teeman M. G. Johnson, of Kansas,
will temporarily act as chairman
of the Democratic national com-
mittee.

The race for Speaker is rapidly
narrowing down to a contest be-
tween the East and the West, with
Sherman, of New York, and Hop-
kins, of Illinois, as the contending
candidates.

Twenty-eight of the one hundred
Democratic nominees for represen-
tative have already been selected.
Some of those who bolted the last
caucus have been renominated.

Deafness Cannot be Cured
by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deaf-
ness, and that is by constitutional re-
medies. Deafness is caused by an
inflamed condition of the mucous
lining of the Eustachian Tube. When
this tube gets inflamed you have a
rumbling sound or imperfect hearing,
and when it is entirely closed deaf-
ness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condition,
hearing will be destroyed forever;
nine cases out of ten are caused by
catarrh, which is nothing but an in-
flamed condition of the mucous sur-
faces.

We will give One Hundred Dollars
for any case of Deafness (caused by
catarrh) that cannot be cured by
Hall's Catarrh Cure. Send for cir-
culars, free.

"Evil Dispositions Are Early Shown."

Just so evil in the blood
comes out in shape of scrofu-
la, pimples, etc., in children
and young people. Taken in
time it can be eradicated by
using Hood's Sarsaparilla.
In older people, the aftermath
of irregular living shows it-
self in bilious conditions, a
heavy head, a foul mouth,
a general bad feeling.

It is the blood, the impure blood,
friends, which is the real cause. Purify
that with Hood's Sarsaparilla and
happiness will reign in your family.

Blood Poison—"I lived in a bed of fire
for years owing to blood poisoning that fol-
lowed small pox. It broke out all over my
body, itching intensely. Tried doctors and
hospitals in vain. I tried Hood's Sarsapa-
rilla. It helped. I kept at it and was en-
tirely cured. I could go on the housetops
and shout about it." Mrs. J. T. WILLIAMS,
Carbondale, Pa.

Scrofula Sores—"My baby at two
months had scrofula sores on cheek and
arm. Local applications and physicians'
medicine did little or no good. Hood's Sar-
saparilla cured him permanently. He is
now four, with smooth fair skin." Mrs.
S. S. WOOTEN, Farmington, Del.

Hood's Sarsaparilla

GROVER CLEVELAND.

I have replaced my jack Napoleon,
that I lost last fall with the above
jack, which has proven himself to be
one of the greatest jennet or mule
jacks in the State of Tennessee or
Kentucky. He is 16 hands high,
black and white points, 19 feet from
muzzle to root of tail. His size is no
freak of nature, but is inherited from
a number of his celebrated ancestors,
distinguished for great size, such as
Nick Bottom, Black Prince, Kentucky
Mammoth, Imp. Black Forrest and
others.

He will stand at my farm 2½ miles
from Casky by the insurance of \$10,
money due when animal ascertained
to be in foal or transferred.

KING GEORGE.

King George is five years old, 15½
hands high, black with white points,
by Silver Brown and out of Mary
Beard and I consider unequaled by
any jack in the county. He will make
this season at \$8 on the same terms
as above. Care will be taken to pre-
vent accidents but will not be re-
sponsible should any occur. Jennets
kept on good pasture at \$1.50 per
month.
